Annual Staff*

## *Foreword*

The annual staff of 1961 hopes to preserve the many happy events of this year in the second edition of "The Keys." In later years, we hope that by turning through these pages, old friendships and old experiences, dulled by time, will be vividly recalled.

# *Dedication*

We, the Annual Staff, proudly dedicate the second edition of THE KEYS to Samuel Robert Edmondson. His unselfish and loyal devotion to the interest of the students has contributed materially to the happy spirit that distinguishes our school. There are few ways we can truly show him our appreciation, but the 1961 KEYS Staff sincerely wishes that this dedication may be considered a token of thanks to this friend.
